Sir,

With reference to your letter No.842/Muz.117-21-1 dated 16th August 1921, calling for a report on the progress made in improving the temple building of Sri Janardanaswami at Dodballapur, I have the honor to state that the estimate for Rs.1266/- for improving the temple building was sanctioned by the Government in their order No. 1565-6 dated 23rd September 1907. The work was in progress and payments as noted in the margin were made to the contractor.(Vide, Government order No.1289-90/Muz.235-14-2 dated 9th December 1914).

1st bill for Rs.635-3-3
2nd bill for Rs.343-10-0
978-13-3

When a third bill for Rs.244-6-6 was sent to this office, it was not submitted to Government for sanction on account of the slow progress, but returned to the Amildar with strict orders to get the work completed at an early date and to submit the final bill.

In the meanwhile, as this record was required in connection with another correspondence relating to the acquisition of certain shops and vacant site on both sides of the Mahadwara of this temple, the matter was evidently lost sight of and no progress was shown by the contractor.

The Amildar now reports that the contractor prays for time till the end of April 1922 to complete the work. As the contractor has almost completed the work, his prayer may be granted. The final bill and the
